Luckily Harry has changed into his goblin gear and caught Peter. "Looks like you need a hand spidey," Harry. "Thanks hobgoblin," Peter said as he landed on the ground. Harry flew throwing his bomb at the rhino which caused him to be pushed back a little as Peter punches him. Peter and Harry did a fist bump as they went back to battle. Peter was able to web up the rhino. They soon disappeared changing into their regular clothes. "Seems like we can't just have a normal day," Peter said. "Normal is overrated," Harry said. "Now come on we still got the entire day," as he dragged Peter along. Harry won Peter a spider plushy. They were walking back to Peter's place. "Thanks for the pushy by the way," Peter said hugging the plushy. "Your welcome," Harry said. "We should do this more often." "That I can agree with," Peter said blushing. They got to his front door, "one of these days I should walk you home." "No, I like walking you home," Harry said. Harry got extremely close to Peter. Peter was bright red as Harry gave Peter a kiss. Peter wrapped his arms around Harry's shoulder and kissed him back. Harry pulled away, "well I guess this makes us official," Harry said.

"No, I'm just not all that comfortable with a lot of people knowing," Harry explained. Peter went up to him cuffing his hand to Harry's cheek giving him a kiss. Chapter Summary

The wedding the end hope you guys like it.

Peter was nervous as he passed up and down fixing wedding dress. (yes I put him in a dress because he lost a bet with miles so now he has to wear a wedding dress). "Peter would you stop fussing you look beautiful," May states. Peter had makeup on the veil and a nice elegant wedding dress but he was still nervous. "I don't think I can go down the aisle," Peter states. May hugged him, "hey you'll be fine you remind me when I got married to Ben." "Hey you got a minute ready," Gwen asked. She was one of the brides maid she wore a pink flowery dress. "Yay I'm ready let's go," Peter says. As Tony walks Peter down the aisle Peter starts to tear up as he sees Harry. Tony hands Peter off to Harry and Harry pulled up Peter's veil, "wow you are gorgeous." Peter blushes. Max who the preacher started to bless them. (skipping vows). They put the rings on each other's fingers. "I pronounce you husband and well husband but since he's wearing a dress well say wife you can kiss the bride." Harry kissed Peter and Peter kisses back. There was dancing food and cake Harry spread cake in Peter's face. Soon the wedding was over. Peter slumped on the couch at Oscar's it's quiet weird that this would be kinda like home. Peter didn't like it here but he wasn't going to complain. He had already thrown off the dress and put on his pjs. He was quite tired it was late but honestly he wasn't that tired. Harry walked up to Peter also in his pj and gave him a kiss, "can't believe we're married." Peter snuggles up to Harry once he sat down enjoying the comfort. Harry kissed Peter's head, "love you bug." "Love you too Harry," Peter said.
